1400 Atlantic Street, Melbourne Beach, FL 32951

A diversified film production professional with over twenty years of experience in creative direction production and editing of international and national commercials, TV shows, TV documentaries and corporate, sales and travel videos.

Experience:

- wrote and produced over 70 spots for the U.S. Department of Defense with a G12 security clearance
- edit and upload video for web sites and social media sites
- co-wrote, directed and edited national television shows:
 - *Having It All* with Niki Taylor, a woman's talk show aired on WE TV network
 - *Giving Back*, a news documentary TV series showcasing corporations which give back to their communities aired on Fox Business and Discovery
 - *Green Earth Journal*, a news documentary TV series showcasing green initiatives of companies, aired on Fox Business and Discovery
- produced, directed and edited variety of national and regional TV spots
- work closely with C level Fortune 500 companies on creative scripts through post production and placement to discern their creative needs and walk them through the process to result in a superior finished product on budget and on deadline

Advanced skills (Mac & PC):

- Final Cut Pro X, Motion, Premiere, After Effects, Word Suite, Adobe Creative Suite and QuickBooks Pro
- Manipulate and edit film pieces that tell engaging brand stories to the audience
- Discern production team's needs and specifications
- Review shooting script and raw material to create a shot list based on a scenes' value and continuity
- Trim footage segments and put together the sequence of the film
- Input music, dialogues, graphics and effects
- Strong attention to detail
- Consult with stakeholders from pre-production to post-production process
- Ability to stay on schedule and follow through on assignments
- Implement new editing technologies and industry's best practices to maximize efficiency
