Daniel Foard

Daniel Foard, Cinematographer, Director of Photography and owner of Videophotog Productions Inc (<http://videophotog.com/>), is a two-time Emmy award winner including the 1997 ESPN X-Games Sky Surfing Pro Tour camera operator in Oceanside California and the 2016 NBC Olympics Indoor Volleyball.

He has worked for ESPN, ABC, NBC CBS, CBS Sports, Lucas Oil Production Studios, and Fox Sports, Focused TV Productions for ESPN International Ironman, and numerous other media productions including Live concerts for Clearwater Jazz, Also in St Pete for Reggae Band SOJA, Third Eye Blind, Chicago, Earth Wind & Fire, Kool & The Gang, the Commodores, Toby Keith, The Temptations, Kenny Loggins, Sheryl Crow, Buddy Guy, Natasha Bedingfield, Jordan Sparks, 2012 NBA Allstars Opening Concerts and many more . Daniel has more than 25 years in the broadcast television industry.

With years of experience in live camera aerial operation for fixed wing aircraft for the Golf Channel for ICM4HD, CBS News WLKY Louisville and Startup Team Member of Bay News 9 in Tampa Bay. Dan has also been a pioneer in POV (point of view) Cameras use in Broadcast TV for ESPN NHRA Drag Racing with GoPro and has become an expert in Drone camera technology. He works closely with GoPro Camera Inc. from their early days to present. Dan has worked with the FAA, Federal, State, local municipalities and law enforcement to help design and implement laws governing the flight concerns related to Drone technology. Dan was directly involved with the creation of and is currently teaching his craft at the first ever Pinellas Technical College Drone Technology Class in St Petersburg, Florida.

Dan Has served with a perfect safety record for hundreds of flights directly for the City of Clearwater. He has also been deeply involved with Enterprise Drone Technology and integration of useful applications in Emergency Management and crisis response efforts during and post hurricane deployment for Hurricane Irma in 2017 for FPL. His photos have been used for the DJI Enterprise Website and were also in an article in Air & Space Magazine in 2017.

Dan Foard still works with Cinematic and Sports configured cameras throughout the Broadcast, Web and TV Production industries. He has extensive commercial production serving as Director of Photography for many clients such as Judge Public Relations Tampa including projects such as Syndaver Labs, Pakayak, AARP Marketing, Facebook Marketing, Spectrum Communications, VocalizeU Vocal Training by Dave Stroud in Hollywood, California and Sebile Lures based in Florida.
