

*Russell Spurlock is an expert pilot who has been flying for over 20 years. From Top Gear America to Snake In The Grass... from action sports to yachts, Major Network competition adventure and natural history and Feature Films... Russell has experience in almost every situation. He pilots and DPs on our **Inspire 2** and **Mavic 3 Cine**, and can put our **FPV drones** in the center of the most demanding action. Russell is night rated and able to pull waivers for pretty much any location and situation.*
