### Summary

I am a videographer with professional and educational experience in creating content through video and graphic design. I am in search of a position with a team that will allow me to grow creatively; I am to gain new skills from every opportunity I dive into.

### Experience

#### 2019-Present Freelancer

Assisted with the production of several video projects. Duties included general lighting audio setup, post-production duties.

Created graphics for advertisements, marketing campaigns, and social media posts.

Ran social media accounts and set up content calendars for select clients.

#### 2017-Present Team Member

##### Universal Studios Orlando

Provided excellent guest service, gave information about on-site events, handled cash, and performed general store upkeep.

Assisted with floor moves, stock intake, and sales promotions.

#### 2015-2017

##### Cast Member

##### World Disney World

Provided themed guest service, handled cash, prepared food, and worked with other departments to manage crowds at special events.
