## EXPERIENCE

EDITOR/  
JR. CREATIVE  
2016 - Present

### *Braveman*

Honed a variety of skills in an environment requiring flexibility, creativity, and efficiency. I crafted my talent and advanced from a jr. editor to a jr. creative position.

- Contributed to creative direction for various animated sequences in instructive courses and live action commercials
- Created motion graphics as well as compositing for commercial projects
- Edited in close collaboration with director on commercial projects

FREELANCER  
2018 - Present

### *Just Because Productions*

Creating unusual and experimental experiences in both animated and live action projects. As well as working in the commercial sphere freelancing in VFX and editing.

VFX INTERN  
*August 2016 - Jan 2017*

### *Fuzzy Puppet Youtube*

Used skills to create both practical and visual effects for a children's youtube channel with work on videos with view counts exceeding 10,000,000 views.

VARIOUS  
CREW  
POSITIONS  
2012 - 2015

### *Florida State Film Productions - Tallahassee, FL*

Worked with many talented students and faculty on over 25 short films. Learned to think on my feet in real to life scenarios on film sets and built a hardy work ethic and perseverance in seeing my and others' visions turned from paper to reality. Also learned the meaning of collaboration and good communication from working with other talented filmmakers.
