WORK EXPERIENCE

Director of Sound

01/2018 to Present

Altered Cortex Design

Tallahassee, FL

Director of Audio oversees all foundational aspects of audio for video as well as the management of Location Sound, Sound Design, Foley Art, Editing, Soundtrack, Mix and Master.

Pre-production planning and coordination is integral for this role. This includes availability for off-hour meetings, punctuality, and acquisition of production files (i.e., script, shot list, schedules).

On-set duties and responsibilities include UHF channel programming for wireless systems, distribution of in-ear monitor systems (IEMs), installation of ambient microphones and speakers, running cables, boom operation, file management, location mixing and monitoring, and frequent communication with other departments.

Post-production duties and responsibilities include file acquisition, audio processing, editing, sound design, foley, composition and performance of score/soundtrack, mix, and master.

Qualities include the ability to supervise a team to accomplish a goal, meet deadlines, thrive in a studio environment, work with members of production, and possess a deep understanding of audio gear and processing.

Correctional Deputy

08/2019 to 09/2020

Leon County Sheriff's Office

Leon County Sheriff's Office

Job duties as a Correctional Deputy include knowledge of first aid practices and the ability to render physical assistance to victims, ability to conduct active patrolling and monitoring of all areas of the Leon County Detention Facility, and ability to maintain custody, care and control of inmates.

Vital to this role is the operation of a computer so that major systems can be maintained including but not limited to electronic logs, CJIS, FCIC and NCIC; testify at trials, hearings, grand juries and/or depositions truthfully, accurately and professionally; the ability to react quickly and calmly in emergency situations, to cope with stressful situations and perform calmly under stressful conditions; and the ability to work closely with others as a team.

Department of Corrections Sergeant

08/2016 to 7/2019

Florida Department of Corrections

Bristol, FL

Maintaining security, custody and control of 180+ medium-to-high risk inmates per block, supervising and training the officers in which I am appointed, as well as charging, documenting, and counseling disorderly or aggressive inmates via verbal or physical de-escalation. 2 years of Special Operations experience, platoon sized squad-based training and high levels of physical fitness. 12 weeks of specialized K-9 Tracking Team training.

Rehabilitation Specialist

01/2016 to 07/2016

Florida State Hospital

Chattahoochee, FL

Evaluate programmatic and therapeutic needs, plan appropriate therapeutic services, implement direct resident services through scheduled sessions, and ongoing evaluation of services delivered. Conduct interviews and assessments, and document progress. Provide supervision and mentoring for trainees including interns and volunteers. Ability to use active listening and de-escalation techniques with residents in various settings. Knowledge, skills and ability to plan and conduct psychiatric rehabilitation and treatment.
