Alice B. Landrum Middle School	2015 - 2017
Ponte Vedra High School	2017 - 2021
Florida International University	2022 - 2025

Skills

I have numerous years of experience in the video production field with the University of North Florida, Easy Edit Video, and Florida International University. I have worked as a camera operator, camera assistant (grip), soundboard, replay coordinator, and production assistant. With a few years of working experience through fast food and retail, I have gained people and critical thinking skills to improve my working environment. My personal goal is to keep building experience in the video/film production industry with hopes of finding a future job.
