## VIDEO PRODUCTION | TECHNICAL OPERATIONS

Creative professional with over ten years of industry experience and a Bachelor of Fine Arts in Film/Video Production. Unique combination of skills in video production, camera and technical operations, photography, background acting, and makeup art. Facile with different types of camera, sound, lighting, electric, and other equipment. Detail-oriented, hands-on approach to delivering outstanding products and services. Comfortable behind the scenes and out front, working as part of a team. Driven to contribute my expertise to the evolving production industry.
