Media/Production Experience

TMRW Sports // TGL presented by SoFi

September 2025-April 2026

Broadcast Production Coordinator

- Manage all hotel reservations across four properties for over 115 crew members and staff.
- Work with Production Manager to crew shows, update/distribute daily schedules/production memos, and create proper credentials.
- Work alongside AD to distribute updated broadcast show formats across entire crew and TMRW staff.
- Assist talent with various needs and accommodations.
- Sit in the production truck during the show to streamline communication across departments and distribute updated talent cards.
- Support live on-site SportsCenter with scripts/rundowns as well as coordinating on-site logistics with Scott Van Pelt and his crew.
- Manage producer's show binder, ensuring he has all necessary documents from the TGL In-House, competition, VIP, and partnership teams.
- Coordinate three days of content with Jason Kelce, assisting our field producer/crew/security and his management team around the SoFi Center.
- Coordinate interview schedule/eligibility requirements for various Sports Emmy submissions, helping SmartPin Cam earn its first nomination.
- Acted as our stand-in sideline reporter for our full run through rehearsal, conducting interviews with stand-in players.
- Other events worked: The 2025 Skins Game, *The Hawk* Netflix shoot, The Boston Tee Party, TMRW Sports Partnership Summit, & Dude Perfect x Best Buy content shoot.

SiriusXM NFL Radio

June 2024-August 2024

Sports Programming Intern

- Took detailed notes during morning shows, "The Opening Drive", "The Blitz", and "Airing it Out" to be sent and used for archival files.
- Ran our soundboard, accounting for proper sponsorship reads, provided supplemental player/coach audio, and ensured quality audio levels.
- Edited short promos using soundbites from previous shows and team radio calls on Adobe Audition.
- Screened calls from special guests and listeners.
- Provided captions on various training camp social media content.

ACC Network Extra

December 2022-May 2025

Sideline Reporter

- Served as the youngest reporter on rotation, sidelined 10 Florida State sporting events (women's volleyball, basketball, softball).
- Game Day reporting including halftime and post-game interviews as well as mid-event quick-hit storytelling opportunities.
- Worked closely with broadcast producers to build supporting graphics from research and interviews.

V89 Sports, WVFS 89.7 FM Tallahassee

April 2024-May 2025

Sports Director

- Managed day-to-day operations including running meetings, securing credentials, booking on-air talent, and directing weekly show, *Tomahawk Talk*.
- Represented the department at university-wide recruiting events, successfully multiplied female involvement each year.
- Creator/host of *Club Scene*, an 8-episode podcast amassing over 1,000 streams, highlighting and amplifying voices of FSU Club Sports teams and athletes, while increasing department social media engagement by over 60%.
- Co-hosted *Tomahawk Talk* when needed, offering opinions/supplemental statistics, while running soundboards.
- Continued to cover games for all sports, including the first two rounds of the NCAA Women's March Madness tournament in Baton Rouge.
- Monitored social media accounts, creating promotional material for shows, podcasts, and events.

Chief Anchor

April 2022-April 2024

- Directed the department's weekly shift operations and led meetings with other executive board members.
- Communicated with other directors of 6 departments of WVFS to ensure accountability and completeness.
- Produced graphics and created video content for the department's various social media platforms, surpassing over 700 followers.
- Filmed entirety of *Tomahawk Talk* and edited short clips for Instagram, highlighting important topics and discussions.

Correspondent

August 2021-April 2022

- Covered various FSU sporting events by providing live Twitter updates and writing game recap articles.
- Common panelist on *Tomahawk Talk*, providing insight and analysis on various sports topics.
- Wrote and delivered weekly on-air 3-minute sports updates covering relevant sports news.

Seminole Productions | Live Sports Broadcasting/Venue Entertainment for FSU Sports Teams

October 2022-June 2025

Freelance Broadcast Assistant

- Worked as an In-Game Host responsible for promotional events, fan games, and bringing positive energy to the game.
- Worked on all aspects of live sports video production on an as-needed basis including camera operations, utility work, control room operations, replay, production assistant work, etc.
- Collaborated with talent and producers to craft supplemental graphics while creating and updating existing ones in-game.
- Proficient in xPression for both broadcast and stadium venue entertainment graphics and score bug operations.
- Worked creatively with talent/producers to create supplemental graphics before and during linear and digital broadcasts.
- Added informational content to appear from score bug to support storylines/game play.
- Maintained constant communication with director, producers, and talent to sell relevant content and ensure accurate information.

Tallahassee State College Athletics

Broadcast Staff

March 2024-May 2025

- Called men's/women's basketball games as play by play and/or color commentator.

- Public address announcer for softball/baseball-announcing rosters, batters, and various mid-game updates.
- Assisted in general live stream operations, walk-up songs, and music in between innings.

Advanced Feature Reporting Class, College of Communication and Information

Reporter January 2022-January 2023

- Three semesters student who organized and conducted various interviews and video shoots, constructed scripts, collaborated with editing crew, recorded voiceovers, and filmed on-camera stand-ups.
- Produced six full-length award-winning features covering diverse campus assets, including sports, highlight pieces, clubs, and student life.

Teaching Assistant January 2023-April 2023

- Assisted instructor and 19 new and returning reporters in script writing, production, and delivery.
- Provided first-hand expertise and advice during class time.
